

CORRIGENDUM-1

NIT No: 14/29/2018-OIDB dated 16-8-2018

Sub: O&M of firefighting system, service water system, water softening plants and other allied packages installed at OIDB Bhawan.

TECHNICAL BID

Sl.	NIT clause No.	Amended as
1	2.1- Bidder should have valid license for O&M of firefighting system, water system, softening plants & other allied packages.	Bidder should have valid electrical contractor licence. Licence of any other person which is not a part of bidder entity shall not be considered.
2	2.5-Bidder should have average annual financial turnover in similar work during the last 3 financial years, ending 31st March 2018.	This clause is as per CVC guide lines. However audited accounts of 2017-18 may also be considered if final account is not available.
3	4.24- In case electric motor is burnt due to any reason contractor will have to make good the loss either by repair or by replacement as the case may be at contractor's own cost.	The bidder would replace/rewind the motor at its own cost.
4	8.2-Contractor will make payment of wages to all their employees electronically in accordance with the minimum wages as applicable to Central Government Departments.....	The Clause 8.2 has been modified to read as "Wages & other statutory payments will be made by contractor to all their employees electronically in accordance with minimum wages as applicable to Central Government Departments. Revised minimum wages as declared by central government from time to time shall be paid by OIDB. In case of non-payment of wages or any other dues to any of your employee, OIDB reserves the right to recover the amount equal to such dues of the employees from contractor's bill and pay to concerned employee. Contractor will take all necessary steps to deposit statutory contribution in respect of employees with concerned authorities and to ensure strict compliance of labour laws. This will be the responsibility of the contractor to comply with the statutory obligations related with the contract including the provident Fund (PF) and Employee State Insurance (ESI) for the persons deployed by the contractor. Contractor shall adhere to all laws, rules and regulations that may be in force from time to time concerning the employment or service conditions of their employees.

5	9.1-Contractor will deploy one qualified supervisor in day shift duty on 48 hours a week basis...Supervisor should have minimum 3 years' experience in similar work.	Contractor will deploy one qualified supervisor in day shift duty on 48 hours a week basis. However, as per need the supervisor may be required to overstay beyond working hours & on Sunday/Holiday without any additional compensation. Supervisor should be qualified as Diploma in Fire Safety/ITI with 3 to 5 years' experience in similar work.
6	9.3-Technical staff provided by the contractor must be ITI pass in similar work with minimum 3 years' experience....	Clause 9.3 is modified as "Technical staff provided by the contractor must be a graduate/undergraduate & suitably trained in similar work with minimum 3 years' experience. The helper shall have minimum education up to 10th standard with minimum 3 years' experience in similar work. The contractor shall have to furnish detailed bio data of all personnel deployed by him and shall submit copy of qualification to the satisfaction of OIDB.
7	Annexure-II	Deleted

All other terms & conditions of NIT will remain unchanged.
